**Subject Two:** Principles of Nahw and Sarf

### Details of Subject One:

Classes will on both Fridays and Saturdays, under a plan to make a day for Tawheed and a day for Fiqh every week, and this is besides the Arabic.

- Tawheed and Jurisprudence Course:

#### The Course Outcomes:

- 1- The student should build from this course the foundation of his religion, which he was created for, by fully understanding all that has to do with the first Pillar of Islam, the witness that no Deity has the right to be worshiped but Allah, and that Mohammad is His slave and messenger.
- 2- Being fully aware of what enters into Islam, and what nullifies it, and knowing all the acts which affect your Belief either by lessening it, or negating it.
- 3- Knowing the basics of Jurisprudence, Starting from purification, and ending with Prayer, and fasting.
- 4- Being aware of the main illnesses of the Heart, and how they affect the outward behavior of a Muslim, thus avoiding them, and acting upon the etiquettes of Islam.
- 5- Prepared to call to Allah, with wisdom and by that which is best, by learning the principles of Islam in enjoining good and forbidding evil.

#### Course Outlines:

The course is considered to be Principles, definitions, and beneficial key points regarding the following:

- 1- The Sources of Evidence in Islam
- 2- The Terminology of Tawheed, and Shirk in Islam

- 3- The Levels of achieving one's Tawheed
- 4- Levels of acts effecting Tawheed
- 5- Understanding Worship, and its Rules
- 6- Ideology of Preserving Monotheism
