Assalaamu alaykum and welcome to our new students.

May Allaah reward each and every one of you for taking this crucial step towards seeking knowledge and understanding your religion so that you may worship your Lord in the most correct manner.

The purpose of this tutorial is to provide you with a little more information and helpful steps concerning the classes on WIZIQ Inshaa'Allaah. All classes are free of charge, alhamdulillaah. If you are reading this message, then you have been added to the invite list and will receive WIZIQ invites for each and every class. So how do you actually get to the class? Read on...

1.   You will receive an invitation to each class through your WIZIQ inbox with the title "Invitation to join live, online class on WizIQ" (it will also come to your email account if you have kept your WIZIQ notification settings configured to receive email notifications)

2.   When you open the invite, scroll down the message a little where you will see a link that says "View more information" - when you click that link it will take you to the class description page.

3.   On this page you will see the button on the left side that say "join this class". When you click that button, you will be registered to the class and it will appear on your WIZIQ dashboard page (homepage) under "upcoming classes" and also under the tab "My stuff" > Classes.

4.   At the time of class you may click on the link to the class which you have registered for and now on the class description page you will see a button that says: "Launch this class". Click that button and the classroom will open.

5.   Once in the classroom you will have the ability to type in the chat box. Kindly restrict usage of the chatbox so as to minimize any interference with the class.

6.   The teacher does not use the webcam and students are not asked to use the microphone or webcam

If you have any other questions or concerns about how to enter the WIZIQ classes, you may add them as a comment to this tutorial and we will do our best to answer them in a timely manner inshaa'Allaah.

May Allaah grant us all success.
